

Remote Learning Timetable Year Reception

Week commencing: 8.2.21

The links below will direct you to lessons and activities to complete whilst you are at home.

It is very important that you complete all of the activities to make sure that you keep up with the learning taking place in your class.

Please read with your child every day. Just 10 minutes a day really does make a huge difference.

Complete at least five motor skills activities per week (these are located in the General file on Microsoft Teams).

Please upload any activities that your child(ren) complete at home to Tapestry.
