

Inclusion & Pastoral Team Members

Miss J Jackson - Deputy Head / Special Needs Coordinator (SENDCo)
Mrs C Waerea – Horizons Centre Leader and SENDCo
Mrs H Horsman – Behaviour Support Worker
Mr D Neen – Learning Mentor
Elvis the dog – Student support officer

Parent Survey

Thanks to everyone who took part in the parent survey about Additional and Special Education Needs last term. We have listened to your feedback and as a result, we will be holding three additional parents' evenings this year for parents of children who are on our special needs (SEN) register. Children will be invited as well so that we can discuss their personal targets and provision. This will be a great opportunity to find out more about what we do in school to help your child.

SEN Parents' Evening Dates:

Please add these dates to your diary:

- Tuesday 23rd November
- Tuesday 22nd March
- Tuesday 21st June

More information about appointments will be sent to the relevant families nearer the time.

Inclusion Newsletter Autumn 1 2021

This group of Year 2 children are enjoying their reward slot with Mrs Horsman because they have had a brilliant week in class. They made chocolate apples!

Please look at our school website for lots of information about interventions which happen in school, special needs support or how we are trying to look after children's mental health and wellbeing, particularly during Covid 19.
[Holybrook Primary School \(holybrookacademy.co.uk\)](http://holybrookacademy.co.uk)

Our school 'offer' has more information about what we do in school.

SEND Local Offer | Holybrook Primary School

If you are worried about any aspects your child's progress, please speak to their class teacher or Miss Jackson on 01274 611327.

Star Children

We run a range of interventions and groups to help children at Holybrook.

Teachers feel that these children need a special mention as they have been responding so well to their additional help:

- Horizons - Riley has been using the Zones of regulation to help him stay calm.
- Reception – Jensen and Jack are using their Zones of Regulation toolkits very well to understand their feelings.
- Year 1- Willow and Joshua have made good progress in their transition group with Mrs Horsman.
- Year 2 – Orla and Jake are doing brilliantly in their phonics intervention group. Michael is also working very hard in his speech sessions.
- Year 3 – Jake is using Clicker 7 very well to create some great sentences.
- Year 4 – Lucas, Zak and James are showing better resilience and determination following their 1:1 sessions with Mrs Horsman. Kenny and Harry have made brilliant progress in their Precision Teaching Intervention!
- Year 5 – Liam is having more successful playtimes and lunchtimes with his friends following his mentoring sessions. Kacey is working well in a team during her Lego Therapy sessions.
- Year 6 – Lexi is regulating her behaviour and working more independently in class. Lelan is using Clicker 7 to write a report in science.
