Inclusion Newsletter Summer 1 2022

We are absolutely delighted to share with you that in our April inspection, Ofsted rated Holybrook as an 'outstanding' school. The report stated that the school, including our Horizons centre, was 'highly effective in supporting pupils with additional needs' and that all children benefitted from an exceptional curriculum. We want to thank our amazing staff, children and parents who have made this amazing journey possible.

Horizons Nell Bank Visit

Children from our Horizons centre visited Nell Bank recently for a fantastic day packed with outdoor adventure, learning and teamwork activities. Here, Marcel is studying creatures found when pond-dipping. George is having a rest after all of his outdoor challenges!

Please look at our school website for lots of information about interventions which happen in school, special needs support or how we are trying to look after children's mental health and wellbeing.

Hailey has decorated this amazing cake as she has met all her targets this week.

Charlie is enjoying the reading corner in year 6 and reading an ebook on MyOn.co.uk. Every pupil in KS2 has access to MyOn and includes books recommended to them based on the pupil's reading level and their interests. There are over 1000 books on there now - free for Holybrook pupils. Many of these also have audiobook versions for pupils to listen to as an alternative.

Our school 'offer' has more information about what we do in school.
